📍 VIA CESARE SERSALE 1

Best Napolitan Pizza, with only two choices
(only Margherita o Marinara).

Economic and with unmistakable flavor.

Always people waiting

Gran Caffè Gambrinus

📍 VIA CHIAIA 1,2

Best way to start a good walking in the historical centre.

Close to the beautiful Plebiscito and Trieste e Trento Squares, it offers one of the most savoury coffes of the city.

Historical local, rich in details

Chalet Ciro a Mergellina

📍 VIA CARACCIOLO FRONTE

Essential stop on the seaside. Often crowded but well organized.

Very suggested: coffes, hot staples, ice creams and any sweets of tradition you can see in the windows .

Mennella / Casa Infante - Leopoldo

By far best the best ice cream shops, located all over the city. It's always a good time to stop e try one!

Mozzarella di bufala Fierro

Between the many cheese factories in the zone, maybe the most approachable. Closer shop in
MERGELLINA street n. 203

Don't scare with the line coming inside, it's worth it!
